Writing (teacher assessment)	Greater depth (%)	Suppressed	
Mathematics	Expected standard (%)	Suppressed	
Mathematics	Higher standard (%)	Suppressed	
Grammar, punctuation and spelling	Expected standard (%)	Suppressed	
Grammar, punctuation and spelling	Higher standard (%)	Suppressed	
Grammar, punctuation and spelling	Average scaled score	Suppressed	

Why are our results suppressed?

In accordance with Department for Education guidance, our Key Stage 2 SATs results have been suppressed due to the small number of pupils in our Year 6 cohort (five or fewer pupils).

This ensures that individual pupils cannot be identified through published performance information.

As a small school, we recognise that each pupil's results can have a significant impact on overall percentages. We are proud of the achievements of all our pupils and remain committed to providing the highest standards of education for every child.
