

Good morning everyone,

It has been another busy week at Terrington! We have enjoyed being outside enjoying the sun in the outdoor areas this week!

EYFS loved being on the bikes this week and practising their balancing skills to race one another developing their coordination. KS2 explored writing code as part of our computing learning. We used scratch to challenge the computer to guess our made up number by adding lines of code. In KS1, we used a camera to capture the beginning of our story. We learnt about the importance of angles, lighting and movement of the camera. The pupils did exceptionally well!

### Swimming

Please note, there will be no swimming on 1<sup>st</sup> May. Swimming will resume for pupils who attend weekly sessions on Friday 8<sup>th</sup> May.

Have a wonderful weekend everyone!

Thanks,  
Miss Tordoff  
Head of School

### Miss Skilling - EYFS and Year 1 & 2

This week in KS1 we have enjoyed writing our own adventure narrative based on our class text 'The Magic Finger'. In EYFS we have been learning about different types of transport and exploring Australia on a map.

### Mrs Rutherford - Year 3,4,& 6

This week we have enjoyed our new book in English, 'The Lion, The Witch and The Wardrobe' and have worked hard to plan and write our setting description for the magical land of Narnia. In Science, Year 3&4 have labelled the parts of a flower and Year 6 have been learning about the environment and protecting habitats.

**Reminder: On Thursday 30<sup>th</sup> April we will be visiting the castle museum. Please remember packed lunches and to be in school at 8:45. Deadline to sign up for this trip is 27 April and a voluntary contribution of £5.50 can be paid through the Arbor portal.**

### Arbor:

If you are having any issues booking wrap around care, please speak with Mrs Featherstone in the office or alternatively send a message to school via the Arbor In-app message system.

### KS2 Cross Country & Rounders:

On Wednesday 29<sup>th</sup> of April, the children in Years 3, 4 and 6 will be taking part in a cross country and rounders event at Malton Sports Centre. The children are asked to come into school in their uniform and will get changed at school into their PE kits. Children will also need to be wearing their school jumpers. They will have lunch at school as normal. A member of staff will accompany the children on a bus, which will take them to Malton in the afternoon. The children should arrive back in time for the end of the school day.

### Staffing Updates:

It is sadness I share that two long standing staff members will be leaving the federation at the end of the academic year. Mr Carlisle, our federation SENCO will be leaving to return to Belfast to be nearer family. He will be much missed by parents, children and staff. We thank him for his work both in the classroom and in his SENCO / leadership role across the federation. In addition, Mrs Dale will also be returning to her hometown in Ireland with her family to be nearer to extended family. A huge thankyou to Mrs Dale for her teaching and subject leadership at Langton. Nine years is a long time and Mrs Dale will be much missed by us all. I know you will join me in wishing them both success in their continued educational career. We will keep you updated with ongoing recruitment to fill these roles.

### What should I do if I am worried about a child?

#### How to report your safety concerns

If you believe that a child is in immediate danger from significant harm, dial 999 to report it to the Police.

#### How do I make a referral?

Referrals can be made via the universal referral form or following an Early Help Assessment. Both can be located on North Yorkshire Safeguarding

Children Partnership web site:

<https://www.safeguardingchildren.co.uk/professionals/forms-and-tools/>

Urgent referrals can be made via telephone to the Customer Resolution Centre on 0300 131 2 131.

or alternatively call the NSPCC Helpline: 0808 800 5000 or email:

[help@NSPCC.org.uk](mailto:help@NSPCC.org.uk)
