

Good morning everyone,

We have had a wonderful week enjoying the sunshine at Terrington!

EYFS have been building their coordination skills on the bikes in the playground and KS1 had lots of fun editing pictures as part of their computing learning.

Our KS2 pupils enjoyed their visit to castle museum where they travelled back in time to explore what life was like in the past. We completed a WW2 trail to help us with our learning this half term. We had so much fun!

### Celebration worship

We will be holding our celebration worship on Thursday 21<sup>st</sup> May at 3pm. If your child is receiving a certificate, a note will be in their planner the Friday before. We look forward to seeing you there.

### Swimming

Swimming sessions will resume on Friday 8<sup>th</sup> May for pupils in KS1 and most of pupils in KS2.

Have a lovely bank holiday weekend everyone!

Thanks,  
Miss Tordoff  
Head of School

### Miss Skilling - EYFS and Year 1 & 2

This week in EYFS we have been learning about Vince Van Gogh and have painted sunflower pictures inspired by his artwork. In KS1 we have been learning about Florence Nightingale as part of our history topic. The children have enjoyed learning about how hospitals have changed overtime.

### Mrs Rutherford - Year 3,4,& 6

This week we had a great time at Malton sports centre taking part in cross country or rounders. We also loved our trip to the castle museum to learn about some British history.

#### What should I do if I am worried about a child?

##### How to report your safety concerns

If you believe that a child is immediate danger from significant harm, dial 999 to report it to the Police.

##### How do I make a referral?

Referrals can be made via the universal referral form or following an Early Help Assessment. Both can be located on North Yorkshire Safeguarding

Children Partnership website:

<https://www.safeguardingchildren.co.uk/professionals/forms-and-tools/>

Urgent referrals can be made via telephone to the Customer Resolution Centre on 0300 131 2 131.

or alternatively call the NSPCC Helpline: 0808 800 5000 or email:

[help@NSPCC.org.uk](mailto:help@NSPCC.org.uk)

<b>School Closed to Pupils</b>	Monday 4 May
<b>Swimming resumes</b>	Friday 8 May
<b>Year 6 SATs Week</b>	11 May – 14 May
<b>Celebration Worship</b>	Thursday 21 May 3pm
<b>Y6 Ryedale Literacy Day</b>	Friday 22 May
<b>Fab Friday</b>	Friday 22 May

### **Use of Sunscreens Procedure - Sun Safety on Site:**

We are concerned about protecting staff and children from sunburn and from skin damage that can be caused by the harmful ultra-violet rays in sunlight. Skin cancer is the most common form of cancer in the country. As sunburn and almost all skin cancers are caused by the sun, it is possible to prevent this happening. We believe that by encouraging sun safe behaviour on site and teaching children about the risks of sunlight, we can prevent them burning and contribute towards preventing skin cancer.

We would like your help and support in this matter. We will be encouraging children to avoid sunburn and overexposure to the sun by:

- **seeking the shade, particularly during the middle of the day**
- **wearing suitable hats**
- **wearing clothing that protects the skin, particularly for outdoor activities and trips**
- **using a high factor sunscreen (SPF 30+ with at least 4-star UVA protection).**

Staff will be encouraged to set an example. Some children are at greater risk of sunburn than others. For example, fair skinned, freckled children who burn easily are most at risk from overexposure to the sun and need to take great care when out in the sun. Staff on outdoor duties or in charge of outings will remind those most at risk of burning to cover up in the sun and use sunscreen.

You can help by encouraging your child to bring, and wear, a hat, particularly on sports days and trips and visits. Also by encouraging your child to wear longer sleeved shirts and longer shorts when outdoors. We will remind parents of the sun safety policy from time to time, particularly around the start of the summer term, sports days, and outings.

Sunscreens provide added protection and may be useful when other measures are not available.

Dermatologists recommend that a sunscreen with a high sun protection factor (SPF).

We encourage parents to provide sunscreen for this purpose. We also wish to encourage children to protect themselves from the sun. One way of doing this is to use sunscreen at the appropriate time. If a child is to use sunscreen on site, parents are asked to:

- 1) Provide the sunscreen product for school use. The sunscreen must be:
  - a) Clearly marked with the child's name.
  - b) Replenished by the parent as needed.
- 1) The sunscreen product will be stored in the child's bag or other location designated by the site.
- 2) The child must be able to apply his or her own sunscreen (except Nursery and Reception children).
- 3) For Nursery and Reception parents: They are asked to apply sunscreen at home before a typical day, this will be reapplied as necessary by staff.

If it is considered necessary for staff to assist with the application of sunscreen, the sunscreen will only be applied to face, neck, arms, hands and lower legs. Parents are asked to provide written instruction to staff for their child's individual needs.

The NYRS Federation would ask that you complete the Sunscreen Parental consent form on Arbor so that we have a record of your support for the sun safety procedure and your wishes with regard to sunscreen use by your child/ren. Please note that the use of aerosol sprays are not permitted.

### **Sad Goodbyes:**

After many years working at Foston School and in EYFS/KS1 at Stillington primary school, we say a sad farewell to Miss Allwood, who will be leaving NYRS Federation at the end of the academic year.

During her time with us, Miss Allwood has made a lasting contribution to the school community. Her commitment to pupils, colleagues and enthusiasm for her role has been greatly valued by all who have had the pleasure of working with them.

Miss Allwood will be moving on to pursue new opportunities and while we are sad to see her go, we are excited for what lies ahead in her next chapter. We would like to say a huge thank you to Miss Allwood and wish her every success for the future.

Foston CoE Voluntary  
Controlled  
Primary-York

### **Year 6 - Bikeability at Foston:**

On Friday 15th May and Monday 18th May we will be offering a 2 day Bikeability course to all year 6 pupils. This will be taking place at Foston school where the children will be learning bike maintenance and bike safety.

To take part:

- Your child needs to be able to ride a bike confidently.
- Your child needs to have a bike and helmet.
- You will need to be able to drop off and pick up your child (at 3:15) with their bike at Foston Primary School. If you are coming from Terrington and have younger children, they could be dropped off first at their respective school and then the year 6 child could be dropped off immediately afterwards to start the course for 9:10am.
- It may be possible to leave bikes and helmets in a classroom at Foston over the weekend, however, please be aware that this is at your own risk.
- To cover the cost of the course there is a voluntary contribution of £18 per child which has been added to Arbor.
- Please complete the Bikeability consent form via the QR code above

### **Year 6 Transition Dates for Ryedale:**

Friday 22 May - Literacy Day

Thursday 11 June - Induction Day

Thursday 25 June – Open Evening

Saturday 27 June – Uniform sizing event (appointment only)

Friday 3 July – Primaries activities afternoon

If you need any further information regarding any of these events please contact Mrs Featherstone in the school office

### **Careers Day:**

On Friday 10<sup>th</sup> July we will be holding a careers day at school. We would welcome volunteers to come in to talk to the children about their career. If you can volunteer some time on this day, please can you email the office to let them know your career and availability. Your support is very much appreciated.

### **Growing Up In North Yorkshire (GUNY) survey:**

As part of North Yorkshire surveys, we have been asked to complete a questionnaire aimed at KS1 and KS2 named Growing Up In North Yorkshire (GUNY) to better support their development and understanding within the PSHE curriculum. We will be conducting these questionnaires over May with the following year groups:

KS1 questionnaire - Y2/3/4

KS2 Questionnaire - Y5/6

Please find attached guidance and further information. We have a paper copy of the electronic questionnaires in school for you to look through should you wish, though these will remain on the school site. If you have any questions, please contact the school Office.
