

Good morning everyone,

We would just like to say a huge well done to our Y6 pupils who worked so incredibly hard across this week throughout their SATs tests. We are so proud of all their hard work, well done! I would also like to say a huge thankyou to our staff team and governors who supported pupils through this process to ensure they felt calm and enjoyed the experience!

### **KS1 SATs**

Next week, our Y2 pupils will be sitting the KS1 SATs papers the week commencing 18<sup>th</sup> May with their class teacher. These are a great opportunity to identify pupils learning and allow teachers to address gaps and stretch pupils to achieve their full potential.

### **Statutory Times Tables Check Information for Parents**

As part of the national curriculum, children in Year 4 will take part in the **Multiplication Tables Check (MTC)** the second week back after the half term holidays (W/C 8<sup>th</sup> June). This is a short online assessment set by the government to help schools ensure children have a secure understanding of their times tables.

The check focuses on multiplication facts up to **12 × 12** and is designed to assess how quickly and accurately children can recall these number facts. Children will answer **25 questions** on a computer, with a small time limit for each question. The test is completed individually in a calm and supportive environment during the school day. The purpose of the check is to identify areas where children may need additional support, helping to build strong mathematical foundations for future learning. We encourage children to practise their times tables regularly at home using quick recall activities, games and online resources.

For more information, please access the parent DfE guidance :

### **Phonics Screening Check**

We will be taking part in the Statutory Phonics Screening check the week commencing 8<sup>th</sup> June. This check is for all Y1 pupils and some Y2 pupils, your class teacher will inform you if your child is taking part. The phonics screening check contains 40 words divided into 2 sections of 20 words. Both sections contain a mixture of real words and pseudo-words. The check is designed to give teachers information on how your child is progressing in phonics. It will help to identify whether your child needs additional support at this stage so that they do not fall behind in this vital early reading skill.

For more information, please access the parent DfE guidance :

### **Clubs – Summer 2**

Please see below the after school club themes for Summer 2 which are bookable via the Arbor App:

Day	Monday	Tuesday	Wednesday	Thursday	Friday
<b>Club</b>	Gardening	Outdoor Games	Movie	Forest School	Choosing
<b>Adult Leading</b>	Miss Cooke	Miss Dale	Miss Dale	Miss Cooke	Miss Cooke

### **Celebration Worship**

Just a reminder that our sharing assembly will be taking place on Thursday 21<sup>st</sup> May at 3pm. We look forward to seeing our school community to celebrate our children's hard work!

### **Thalia Workshop**

Next Thursday, we are having a visit from Thalia, a North Yorkshire organisation to teach us all about recycling and how we can help our environment exploring sustainability. We will have an assembly for all pupils, games for EYFS/KS1 and KS2 will explore how we can be more sustainability through a workshop. We are looking forward to learning all about helping our environment.

Have a wonderful weekend everyone!

Thanks,  
Miss Tordoff  
Head of School

**Mrs Rutherford - Year 3,4,& 6**

Congratulations to all the year 6s who worked diligently through their SATs, trying their hardest and checking their answers with any spare time. They deserve a huge pat on the back!

### Miss Skilling - EYFS and Year 1 & 2

In Class1 we have been enjoying taking part in forests schools on a Friday afternoon. We have been den building and going on nature hunts to make nature pictures.

### World Environment Day 2026:

On Friday 5th June we will be celebrating world environment day 2026. To consider the impact of plastic waste on the environment, we are going to reuse some plastic waste to create something new. Please can you collect plastic waste, including plastic bottles and milk bottles and bring them to school on the day.

### KS2 Residential:

Mr Carlisle and Mr Yip have sent out information to all attendees about departure times, kit list and communications whilst on the trip via emails. Please have a read through and let the school know directly if there are any issues.

### Do you know what your child has access to if they use YouTube?

YouTube is a video-sharing social media platform that allows billions of people around the world to watch, share and upload their own videos with a vast range of content – including sport, entertainment, education and lots more. It's a superb space for people to consume content that they're interested in. As a result, this astronomically popular platform has had a huge social impact: influencing online culture on a global scale and creating new celebrities. To use YouTube, you must be 13 years old. However, if you are under 13, a parent or guardian can set up a supervised experience, allowing you to use YouTube or YouTube Kids under their supervision. Children of all ages can watch videos with parental permission, and parents can use Google Family Link to manage their child's YouTube experience. For users under 13 years of age

**Supervised Accounts:** A parent or guardian can set up a supervised account to allow children under the age of 13 to use YouTube.

**YouTube Kids:** An alternative for younger children is the YouTube Kids app, which provides an age-appropriate platform with parental controls.

If your child has full access to YouTube without any supervision or restricted modes in place, they will be at a higher risk of having access to content that is not suitable and be at risk of connecting with strangers.

There are things you can do to help keep your child safe.

**Family Link App:** Use the Google Family Link app to set up and manage a supervised account for your child, including turning on Restricted Mode to filter mature content.

**Restricted Mode:** This mode helps filter out most mature content from appearing for your child.

**Parental Responsibility:** If you allow your child to use YouTube, you are subject to the [YouTube Terms of Service](#) and are responsible for their activity on the service.

In the guides attached you'll find tips on avoiding potential risks such as connecting with strangers, inappropriate content and high visibility. A healthy and more safe alternative is YouTube kids. YouTube Kids promises a safe, child-centric experience with colourful visuals, age-filtered content, and robust parental controls. Designed to appeal to younger viewers, the app has grown rapidly, being used by tens of millions of children worldwide. Despite YouTube Kids' safeguards, reports have highlighted worrying issues, such as inappropriate content slipping through filters, subtle advertising, and the use of manipulative design to keep children engaged. Please see the attached guide which explores how to navigate these pitfalls, offering practical advice for making sure children get the most from the platform – without the risks.

### Dates for your diary - Terrington

<b>Bikeability Y6 –Day 2</b>	Monday 18 May
<b>Celebration Worship</b>	Thursday 21 May 3pm
<b>Y6 Ryedale Literacy Day</b>	Friday 22 May
<b>Fab Friday</b>	Friday 22 May
<b>Students break up</b>	Friday 22 May
<b>Students return to school</b>	Monday 1 June
<b>KS2 Residential</b>	1 – 3 June

### What should I do if I am worried about a child?

#### How to report your safety concerns

If you believe that a child is in immediate danger from significant harm, dial 999 to report it to the Police.

#### How do I make a referral?

Referrals can be made via the universal referral form or following an Early Help Assessment. Both can be located on North Yorkshire Safeguarding

Children Partnership website:

<https://www.safeguardingchildren.co.uk/professionals/forms-and-tools/>

Urgent referrals can be made via telephone to the Customer Resolution Centre on 0300 131 2 131.

or alternatively call the NSPCC Helpline: 0808 800 5000 or email:

[help@NSPCC.org.uk](mailto:help@NSPCC.org.uk)
