

Terrington C of E Primary School

Weekly bulletin Friday 3rd July 2026

Good morning everyone,

I hope you have all had a wonderful week! We have a busy next few weeks, so please see below for further details on upcoming events:

Transition days

Next week we will be holding our transition days on Monday 6th and Friday 10th July, where pupils will go into their new class ready for September. Pupils will meet their new class teacher and complete fun team building activities throughout the day. We will end Friday's transition day with a performance of the KS2 play at Terrington Hall school as our KS2 host their dress rehearsal.

Transition meetings

Each year we host transition meetings for pupils who are new to school and key stage to share expectations of that key stage. Please see below for details of these presentations with staff:

Monday 3pm – New to KS1 Transition Presentation with Miss Skilling

Monday 3:40pm – New to EYFS Transition Presentation with Miss Skilling

Friday 9:05am – New to KS2 Transition Presentation with Mrs Rutherford

If you are unable to attend and would like the presentation to be sent home, please speak to your child's class teacher.

Re-arranged Sports day

We are re-arranging our sports day events for Tuesday 14th July at 3pm following the leavers service. We will host this on the school field which will be followed by the end of year picnic. We look forward to seeing you all there.

Have a wonderful weekend everyone!

Thanks,

Miss Tordoff

Head of School

**Stillington Community
Primary School**

**Terrington Church of
England VA Primary School**

Wow Class work

Class 1 -Miss Skilling EYFS/KS1

This week in EYFS we have been drawing flowers using different media such as oil pastels, colouring pencils, crayons and felt tips.

In KS1 we have been continuing our science topic all about plants. We have been sorting trees into 'Deciduous' or 'Evergreen'.

Class 2 -Mrs Rutherford KS2

This week we have been practicing our play and the children are really keen to add their own stamp to their performance. Please encourage your child to practice their lines at home. We are looking forward to performing for you next Friday.

On Tuesday evening some of our year 6 pupils took part in a community gala where they swam 2 races. I am proud to announce that they came 3rd, 4th and 5th! Well done girls! On Wednesday we went to take part in KS2 Olympics at Malton Sports and we did so well, returning proud with 2 3rd place medals. Well done to the whole class as everyone tried their best.

Parent News

KS2 Heroes of Troy play

On Friday 10th July we will be performing our dress rehearsal at 2pm and the final performance at 4pm at Terrington Prep School sports hall. Please can your child remain in school until after the second performance. Please ensure your child has an extra snack and a water bottle for the day.

All costumes, accessories, sandals and props must be in school for Wednesday 8th July.

A huge thank you to all the parents who have offered their help with the play- every little thing helps to make the production as great as we can make it.

We look forward to as many of you attending our show as possible on Friday!

Welcoming Mrs Kirsty Cobb – Our New SENDCo

We are delighted to welcome Mrs Kirsty Cobb to our federation as our new Special Educational Needs and Disabilities Coordinator (SENDCo), starting in September.

Mrs Cobb is an experienced SENDCo who currently works across more than one school and brings with her a wealth of knowledge, expertise and a real passion for supporting children with additional needs.

She will be working across our federation on Mondays, Tuesdays and Wednesdays.

Over the coming weeks, Mrs Cobb will be working closely with Mr Carlisle and Miss Stringer, our current SENDCo's, to ensure a thorough and seamless handover. This careful transition will help ensure continuity for our children and families, with all SEND provision, support plans and statutory processes continuing smoothly into the new academic year.

Mrs Cobb is very much looking forward to becoming part of our federation family. She is excited to meet our children, work alongside our staff and build positive relationships with parents and carers as she gets to know each of our four schools.

We know you will join us in giving Mrs Cobb a very warm welcome when she joins us in September.

RSE Presentation

Thank you to everyone that was able to attend our meeting last Thursday regarding additional RSE lesson for year 6 in PSHE this half term. We really appreciate all of your feedback and support.

If you were not able to attend, then please find below the video link that we shared and the powerpoint attached.

Unfortunately, we are unable to share some of the resources that were included on the original powerpoint but if you wish to view them then you're more than welcome to come into school to see this. Video links will be pasted in this text for you to access.

A reminder that parents have the right to withdraw their children from the teaching of sex and relationships education that goes above and beyond the science curriculum.

The science curriculum currently covers with our year 6 children -

- How our bodies change as we age, often referring to physical changes due to hormones.
- The process of reproduction in plants and birds.

This does not cover reproduction itself in detail and does not reference mammals.

The areas of PSHE that go beyond this for a year 6 child is sexual reproduction in humans. This is a lesson that parents can choose to withdraw from should they wish to. If this is the case, then please refer to our RSE policy on our website for more information about this process.

If you have any further questions at all then please do not hesitate to contact us, we would be more than happy to help.

Video links - Year 6

<https://www.socialworkerstoolbox.com/education-puberty-10-14yrs-old-busy-bodies-adolescent-development-programme/>

Watch the 'How a baby is made' video (number 5)

Please can parents email the school office by Friday 10th if you wish for your child to be withdrawn. The lesson will be taught in the final week of term.

What should I do if I am worried about a child?

If you believe that a child is immediate danger from significant harm, dial 999 to report it to the Police.

How do I make a referral?

Referrals can be made via the universal referral form or following an Early Help Assessment. Both can be located on North Yorkshire Safeguarding Children Partnership website:

<https://www.safeguardingchildren.co.uk/professionals/forms-and-tools/>

Urgent referrals can be made via telephone to the Customer Resolution Centre on 0300 131 2 131 or alternatively call the NSPCC Helpline: 0808 800 5000 or email: help@NSPCC.org.uk
