This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2026.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2024/2025)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Key achievements 2025-2026 – Reviewed July 26

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
PE coordinator to continue and monitor PE with clear long term plan and differentiation to ensure progression through the year groups.	PE provision across the school became more consistent, with progression mapped across mixed-age classes. Staff confidence increased through regular support and monitoring, resulting in higher quality PE lessons and improved pupil engagement.	PE leadership has become embedded within the school. Monitoring and action planning will continue next year to further develop curriculum progression and assessment.
Training for Y5/6 children to lead sports activities at playtimes and lunch times. Year 6 children to lead activities in PE with the support of the adult	To develop knowledge and confidence in leading games and core skills. Sports engagement at playtimes is increased. Children have an increased fitness.	Weekly timetable was create with a leader to support with playtime games and give pupils variation. PE lead worked with Y4/5/6 pupils to develop their knowledge and understanding of imparting their learning to others in order to lead and deliver sporting activities at play and lunch times.
Coach and PE Coordinator to work alongside staff to help upskill their knowledge.	Staff confidence and subject knowledge improved through coaching, modelling and shared planning. Teaching assistants became more skilled in supporting high-quality PE lessons, benefiting all pupils.	Staff are now better equipped to deliver high-quality PE independently, ensuring sustainability beyond the coaching programme.
A list of sports to be included for sports enhancement days and visits to different sporting facilities that are planned specifically on the long term plan.	Pupils experienced a much broader range of sports than the National Curriculum alone provides. Participation levels were high, with many children expressing increased enthusiasm and willingness to try new activities.	Pupil voice informed future planning, ensuring activities reflected children's interests while broadening their experiences.

Extra swimming sessions for weaker swimmers from vulnerable families.	Pupils who lacked confidence made good progress in swimming skills and water safety. A greater proportion of pupils were able to swim confidently and safely by the end of Year 6, with increased confidence evident during lessons.	Although not every child reached the expected standard, targeted support ensured pupils made accelerated progress. Additional intervention will continue where needed. Pupils attended weekly swimming session across the academic year.
Join and take part in Malton Secondary PE partnership sport competitions	Children represented the school in a wide range of competitive events, developing resilience, teamwork, confidence and sportsmanship. Participation in competitive sport increased across all year groups.	Partnership working continues to provide excellent value, giving pupils access to competitions and sporting experiences that would not otherwise be available to a small rural school.
SLT time to plot the Sports premium funding and conduct paper work	Funding was carefully targeted towards identified priorities and monitored throughout the year to maximise impact. Spending was linked directly to improving participation, curriculum quality and competitive opportunities.	Regular reviews ensured funding remained responsive to pupil needs and represented good value for money.

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study
