

## **Terrington C of E Primary School**

### **Weekly bulletin Friday 25th September 2026**

Good morning everyone,

We have been busy this week at Terrington in preparation for our harvest festival! We have been learning lines, creating harvest crafts and practising our signing! We are looking forward to our service today with the Church and local parish. We cannot wait to see you all there!

#### **PE Kits**

Please can we remind everyone to bring their PE kit in on Monday for the week to allow pupils to get changed in school into their PE kits.

Have a wonderful weekend everyone!

Thanks,

Miss Tordoff

Head of School

**Stillington Community  
Primary School**

**Terrington Church of  
England VA Primary School**

#### **Wow Class work**

##### **Class 1 -Miss Skilling EYFS/KS1**

This week in KS1 we have been enjoying a history topic all about 'The Great Fire of London'. The children have been really enthusiastic and engaged with their learning. In EYFS we have been learning about harvest and what happens during this time.

##### **Class 2 -Ms Rutherford KS2**

This week in KS2 we have been getting stuck in to our learning. We have enjoyed swimming lessons, science experiments, music lessons and computing. We also really loved learning and reading our lines at the Harvest Festival with the community.

#### **Parent News**

##### **Live Assembly- Allergy Aware**

On Monday 28th September we will be attending a live special assembly with Clare Bristow, from the Sadie Bristow Foundation, exploring allergies and how we can help everyone feel safe and included at school. Clare will explain what an allergy is, introduce the new allergy-safety requirements known as Benedict's Law and share simple actions children can take, including listening to others and telling an adult if someone feels unwell. This sensitive, age-appropriate assembly will help pupils understand why allergy awareness matters and how the whole school community can work together to care for and include children with allergies. In school we now have our emergency auto-injectors and the children are washing their hands before and after eating. Please can I ask parents to look closely at the ingredients of food sent into school and where possible avoid sending food items with nuts.

##### **KS2 Sports Enhancement Day – Postponed**

We are sorry to let you know that, due to some unforeseen logistical challenges, we have had to **postpone our KS2 Sports Enhancement Day**.

We appreciate that the children were looking forward to this exciting opportunity and apologise for any inconvenience this may cause. We are currently working to arrange a new date and will notify families as soon as this has been confirmed.

If you have already made a voluntary contribution towards the Sports Enhancement Day, **this will automatically be carried forward and used towards the rearranged date**.

Thank you for your understanding and continued support.

## Our First Reading Books

This Friday, the children will receive their **first wordless reading book** to bring home. Each Friday, your child will receive a new book, which they will already have had the opportunity to look at and explore in school.

As the books are wordless, we encourage you to **look carefully at the pictures together and talk about what is happening**. You could ask your child questions such as:

- What can you see?
- What do you think is happening?
- How do you think the character is feeling?
- What might happen next?
- Can you tell me the story in your own words?

Little Wandle have some helpful guidance for parents on sharing wordless books at home. You can find this here:

[Little Wandle – Supporting your child with wordless books](#)

There is no right or wrong story – the most important thing is that your child enjoys looking at books, talking about the pictures and developing their confidence in telling stories.

We hope you enjoy sharing these special first reading experiences together at home!

## Key Stage 2 Beaver Roadshow

We are delighted to share that we have organised a **Beaver Roadshow Workshop** for the Key Stage 2 children on Monday 5th October. Following the successful reintroduction of beavers to our local area, this engaging one-hour session will give pupils the opportunity to discover these fascinating mammals and understand the important role they play in our natural environment.

During the session, pupils will learn about:

- What beavers are and the adaptations that help them survive
- Why beavers have been reintroduced to Britain
- How beavers influence habitats and ecosystems
- The opportunities and challenges associated with wildlife reintroductions

The session supports several areas of the KS2 Science curriculum, including *Living Things and Their Habitats*, adaptation and survival, food webs and ecosystems, and environmental change and human impacts on habitats.

This is a fantastic opportunity to enrich our science and environmental education curriculum through a real-life local conservation story, inspiring curiosity about wildlife, habitats and nature recovery.

## RSHE Policy

As you are aware, we have recently updated our PSHE curriculum. As such, we have also updated our RSHE policy in line with DfE changes and our curriculum changes. We welcome feedback from parents on this policy and would appreciate any queries are emailed to the school office by Friday 2<sup>nd</sup> October. We thank you for your continued support.

### Dates for the Diary

|                                         |                                             |
|-----------------------------------------|---------------------------------------------|
| <b>Harvest Festival</b>                 | Friday 25 <sup>th</sup> September at 2:30pm |
| <b>End of term – Last day of school</b> | Thursday 22 <sup>nd</sup> October           |
| <b>Start of term – First day back</b>   | Monday 2 <sup>nd</sup> November             |

### What should I do if I am worried about a child?

If you believe that a child is in immediate danger from significant harm, dial 999 to report it to the Police.

### How do I make a referral?

Referrals can be made via the universal referral form or following an Early Help Assessment. Both can be located on North Yorkshire Safeguarding Children Partnership website:

<https://www.safeguardingchildren.co.uk/professionals/forms-and-tools/>

Urgent referrals can be made via telephone to the Customer Resolution Centre on 0300 131 2 131

or alternatively call the NSPCC Helpline: 0800 800 5000 or email:

[help@NSPCC.org.uk](mailto:help@NSPCC.org.uk)

### NYC SEND Hubs
