

Terrington Primary School

Weekly bulletin Friday 9th October 2026

Good morning everyone,

I hope you have all had a wonderful week! We have been demonstrating patience this week at Terrington as we have been exploring different games to play at playtimes. Our school council kindly listened to the voices of the school considering each suggestion to create a new timetable for our playtimes. We are so impressed with their dedication and team work! Well done School Council!

100 things before I leave Primary

As part of curriculum offer at the North Yorkshire rural schools federation, we embed learning opportunities across our curriculum and through additional enhancements. As such, we have a '100 things to do before I leave my Primary school' check list. Some of our pupils may already have these from previous years, however we will be sending these home with all pupils this week to allow them to keep ticking off all the amazing experiences they have completed demonstrating love and joy for their school experience.

Harvest Festival

We received a lovely email this week to share the fantastic collection from our harvest festival. A huge thank you again for all your continued support of school and our church:

Have a lovely weekend everyone!
Thanks,
Miss Tordoff

5th October 2026

To the Congregation of the Church of All Saints Terrington and the Pupils, Staff and Parents of Terrington C of E Primary School

Thank you very much for your kind donation of 15.35 kilos of food and £79.50 from your Harvest Festival Collection to the Ryedale Community Foodbank.

This donation is very timely as we are now starting to plan for the higher demand in the winter and our Christmas food parcels.

Donations of food have also decreased over the last year due to the increasing cost of living. Consequently we have to purchase goods to stock our centres and meet rising demand. Unfortunately we expect this trend to continue due to higher energy bills and the current economic situation in general.

You may be interested to know that through our branches in Norton, Pickering and Kirby Maresfield during the month of September we supported 250 people: 90 children and 160 adults. A total of 3174 kilos of food was distributed, an average of 25.60 kilos per food parcel.

None of this work would be possible without the generosity of donors like yourselves.

Kind regards

S. Fitter

KS2 Stockheld Music Box competition

Please see the information that has been sent home with your child. The deadline to submit entries to school is October 23rd and they must be submitted on the A3 paper template provided.

Healthy snacks in school

During our Picture News assembly this week, the children have been learning about recent news, including the UK Government's announcement of the biggest overhaul of school food standards in a generation for England, which will take full effect from September 2027.

We are currently exploring what these changes may mean for us in school and how we can continue to make healthy choices. As a reminder, please ensure your child brings a **healthy snack for breaktime**, such as a piece of fruit. **Crisps and chocolate should not be brought into school.** Thank you for your healthy choices and positive habits.

What should I do if I am worried about a child?

If you believe that a child is immediate danger from significant harm, dial 999 to report it to the Police.
