

Message From the Head of School

Dear Parents,

We have enjoyed another fine week and continue to enjoy our learning in our inside and outside environments.

KS2 particularly enjoyed their Multifaith day on Wednesday, learning about the Hindu temples and Jewish synagogues. The pupils talked confidently during an online question and answer session.

Next week, brings the KS2 SATs for Year 6 pupils. We wish them all well and are sure their hard work this year will reap rewards. See below for more details.

Also, next week we have Tom Bates, from Yorkshire County Cricket, joining us for workshops for all pupils. This should be a fun active session to look forward to.

Wishing you all a lovely weekend, with regards,

Linda Bowman

Staffing Update

It is with sadness that I share with you that a staff member will be moving on from our Federation this term.

As you are aware Harrison is a qualified teacher and despite his fondness for our schools he feels it is time to leave us and engage in some teaching supply work with the aim of securing a more permanent teaching post. We thank Harrison for everything that he has done for the Federation and the support he has shown for colleagues, staff and pupils. We will miss his happy and calm demeanour in School and wish him well for the future. From 20th May Miss Amy Skilling will be joining Terrington team as a HLTA, Amy is also a qualified teacher who currently already works two days a week within our Federation. We look forward to welcoming her to Terrington.

YEAR 6 SATS

As we move forward throughout the Summer term, we look ahead to year 6 SATs which will be taking place from the 13th - 16th May. We will be offering SATs breakfast club free of charge for the Y6 pupils on these dates from 8:15am. Please see below the timetable of tests which will be completed on these days.

INFORMATION

KS1 Sealife Centre trip

On the 14th June 2024 the KS1 children will be visiting Scarborough Sealife centre, linking to our topic "Our amazing Oceans". We will be exploring all of the different creatures that live in our oceans and any other habitats that we might find. There will be a voluntary contribution of £17 towards the cost of the trip and the bus journey on ParentPay which would be greatly appreciated. For our visit the children will need to be in their normal uniform with comfortable school shoes and potentially sun hat and sun cream, weather dependent. Your child will need a packed lunch for this trip, if you would like to order one please can you let the office know before 24th May.

Leaving school grounds

To ensure the safety of all and safeguarding of children, please can we ask that only parents/carers use the exit button when leaving the school site. Thank you.

Lost Property

Please can everyone check their PE Kits, jumpers and cardigans to make sure that you have got your child's own kit as we seem to have a few children missing items of clothing.

Also could you also check bags to see if a metal drinks bottle has mistakenly been picked up by your child as one has been mislaid.

There is a lost property box in the main entrance in case anyone would like to look through to see if your child's missing items are there.

INFORMATION

Operation Encompass

We want to you of an important initiative our school is participating in called Operation Encompass. This program is a collaborative effort between schools and local police forces aimed at supporting children who may have been exposed to domestic abuse.

Operation Encompass ensures that when a domestic abuse incident occurs, the police will notify the school the next morning before the start of the school day. This allows us to provide appropriate support to any child who may have been affected by the incident, whether directly or indirectly. The information shared with the school is confidential and will only be used to support the child's welfare and well-being.

As a school, we are committed to providing a safe and nurturing environment for all our students. Operation Encompass helps us to identify and respond to any potential issues promptly, ensuring that the necessary support is in place for those who need it most.

We encourage you to learn more about Operation Encompass by visiting their website <https://www.operationencompass.org/> or by contacting the school office if you have any questions or concerns.

Thank you for your continued support in keeping our school community safe and supportive for all.

OPERATION ENCOMPASS

Operation Encompass is a national scheme that operates jointly between schools and all police forces.

“ Children who live in homes where there is domestic abuse, or who experience domestic abuse in their own teenage relationships, can be negatively impacted by this experience. ”

“ Children who experience domestic abuse are recognised as victims of domestic abuse in their own right! ”

“ We have ensured that a member of our staff, (Designated Safeguarding Lead) known as a Key Adult, has been trained about Operation Encompass procedures. This allows us to use the information that has been confidentially shared with us by the police, to understand how a child may be impacted by domestic abuse and to then offer support to the child/ren in our care. ”

“ Operation Encompass means that our school will be told, prior to the start of the next school day, when police have attended an incident of domestic abuse where there is a child or young person who attends our school who is related to any of those involved in the incident ”

“ This information means that we can understand a child's behaviour and support that child in whatever way they may need or want. ”

“ We are keen to offer the very best support possible to all our pupils and we believe that being part of Operation Encompass helps us to do this. ”

WOW WORK

NURSERY AND RECEPTION (EYFS) (CLASS 1)

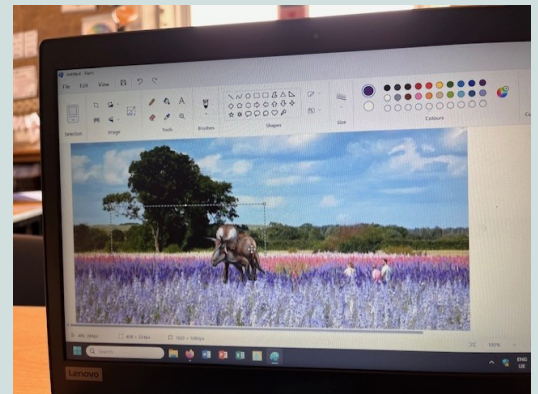

This week the children have been learning about Doctors and Nurses and how they help us. They have really enjoyed role playing the different roles in a hospital!

KS1 (CLASS 2)

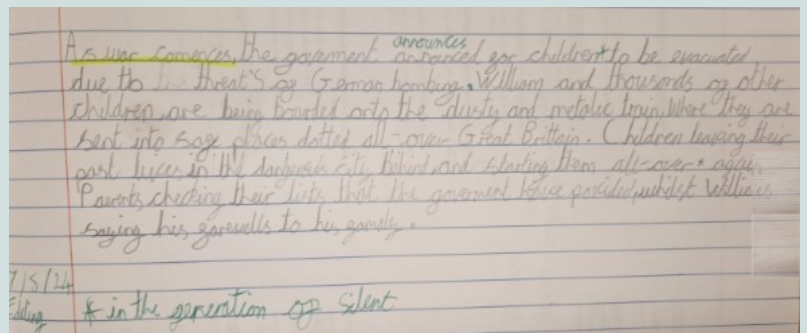

This week in class 2 we have really enjoyed learning more about the changes in seasons and watching how the weather in spring is warming up which links fantastically to our science topic on 'seasonal changes'!

In computing we have learnt how to copy and paste images online into paint and edit them. Why not try to do another image at home by selecting a background and then adding characters of your choice to the image. Have a look at one of pictures!

KS2 (CLASS 3)

This week in KS2 we have been exploring narrative writing from a 3rd person perspective. We enjoyed looking at what devices we need to include to make our reader feel as if they are in the story. Here is some of our work:
