

Message From Head of School

Dear Parents,

Welcome back to the Summer term. I hope you all had an enjoyable Easter break.

We are looking forward to a busy and exciting term full of learning, enrichment activities, sports events and good weather.

For our Year 6 pupils this is their final term at Terrington, so I am sure there is a mix of excitement and intrepidation as they look forward to moving on to Secondary School. However, before they do we have a busy term packed with learning, trips and visits and a final leavers service. Please look out for further details to follow.

We are also looking to develop the Meadow further, with shaded areas and tyre trails, as well as the new planting of trees and bushes and an enhanced forest school area. We may need a working party to help us with some of this, so please look out for any meadow related dates coming out.

Langton School are having their biannual Summer Jamboree at Weststow Cricket Ground on a weekend in July. If Terrington parents would like to get together and have their own stall to raise a bit of money for our school, they are very welcome to join in. Please see Mrs Bowman if you want to be involved. All families are of course welcome to join in the fun anyway, if they wish. Further details to come.

I look forward to seeing you all and working with you over the coming weeks,

Mrs Bowman

School Meals

Our school meals are made on site using fresh, local ingredients wherever possible, and each term there is a different 3 week rolling menu for the pupils to enjoy a range of meals. All pupils in Reception, Year 1 and Year 2 are currently eligible for a free school meal, but we would like to offer every child in the school the opportunity to try a meal free of charge on Thursday 16th May. The menu on that day will be:

A choice of Margherita/Vegetable/Pepperoni Pizza

Chips

Veg sticks (carrot/pepper/cucumber etc.)

Ice cream

Jelly or biscuit

If you would like to take advantage of this please can you let the school office know by 1st May at the latest using the link below:

INFORMATION

KS2 Howsham Mill Trip

On **Wednesday 1st May**, KS2 pupils (Y3-6) will be attending Howsham Mill for their Geography fieldwork trip.

On this day, pupils should arrive at school for 9:00am and will be returning to school in time for home time as usual.

Pupils should bring a packed lunch from home or order one from the school office by **Monday 15th April** with the options being: ham, cheese or tuna mayo.

A voluntary contribution of £6 per child towards the cost of the day is now on ParentPay.

Parent Help

This half term we will be learning about 'People Who help Us' looking at different job roles. It would be a fantastic learning opportunity if our parents were able to come into school and talk about their job role and how they help others. If anyone is interested and willing to come into school to share their expertise with the children please speak with Miss Birdsall.

Mappix

As we continue to develop our teaching and pedagogy, we are trialling a new assessment platform which will allow teachers to have more time with pupils in class giving them instant, constructive, verbal feedback to move their learning forward. We will upload KS1 and KS2 pupils' information in order to closely monitor their learning allowing teachers to put in place support or stretch pupils learning more effectively and efficiently. If you wish to discuss this further, please speak to **Miss Tordoff** and find attached an introductory letter from the organisation.

Church Domino Drive

WOW WORK

NURSERY AND RECEPTION (EYFS) (CLASS 1)

Nursery and Reception have enjoyed dressing up in the different 'People Who Help Us' outfits as we begin our new topic and explore jobs. The children have been so engaged in their role play dressing up and talking on the roles of real-life superheroes.

KS1 (CLASS 2)

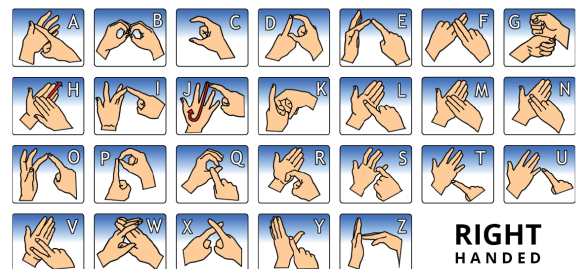

Welcome back to our Summer term! It has been wonderful to see the children again after our Easter break and hear all about their holidays. We are already beginning our new topics which we are excited to delve into, including our History topic on Florence Nightingale and our DT topic of Wheels and Axles.

KS2 (CLASS 3)

This week in KS2 we have explored British Sign Language (BSL) as part of this term's learning. We explored the alphabet, recapping our prior knowledge and looked at how we greet one another. We practised with our partners asking them how they are and what their name is in BSL. Here is a fantastic resource and website to support pupils further with their learning. <https://www.british-sign.co.uk/>

BRITISH SIGN LANGUAGE - FINGERSPELLING
