

17th November 2023

Terrington

Christmas Dinner (see attachment)

Sorry I know it is still November, but I have attached the menu for Christmas dinner. Can you let me know by Monday 27th November 2023 if your child is requiring the dinner or will be having a pack up.

The children will be travelling to Stillington to celebrate together. On Friday 15th December 2023.

Keeping children safe online.

It has come to our attention that some children have or have had access to the app 'tiktok'. Whilst a lot of the content on this app can be funny and entertaining for children, we wanted to make you aware that there is an age restriction of age 13+ for this app, with some content only appropriate for age 18+. The potential risks for children using this app and advice for parents can be found on the attached poster.

INFORMATION

Afterschool Clubs

Craft Club and Forest Schools club is now on ParentPay allocated to the participating children. These clubs have been in high demand and are full.

We have places still available for Tuesdays club:- **Tag Rugby/Football this is now priced at £15.00 for the five weeks.**

Craft club

The children have enjoyed experimenting with clay this week to make autumn leaf trinket bowls. Next week we will be making a craft using empty jars. Please could you collect jars and send them into school, if you have extra they would be appreciated in case some people don't have one. Thank you.

Forest School

We may have had a bit of wind and some rain however the children enjoyed den building, smores and whittling. Lets hope we can get the fire going this week. All we have to do is persevere and it will happen, that is the joy of forest school.

Malton Sports

On **Wednesday 13th December** KS2 will be going to Malton Sports Centre, this will take place within school hours and children will return before the end of the school day. The children will require their PE kit and a water bottle. The children will get changed into their PE in school.

Residential Workshop Rescheduled

On **Wednesday 22nd November at 5pm**, Miss Tordoff will be holding a workshop via teams to go through the layout of the residential and answer any queries you may have. If you are unable to attend the session, the PowerPoint will be on the following bulletin. All questions will be collated and answers sourced (should they be centre specific) and feedback in the bulletin also. The link for the workshop is as below: Join on your computer, mobile app or room device [Click here to join the meeting](#)

WOW WORK

NURSERY AND RECEPTION (EYFS) (CLASS 1)

The nursery and reception children have had a lovely week watching the rain. They have also enjoyed playing in the sand pit.

KS1 (CLASS 2)

Our class have had a very busy week finishing our addition and subtraction topic in Maths and beginning our new topic of Geometry.

We have a great trip out on Wednesday to the railway museum where we looked at trains from the past and future to further our learning from the topic 'How have people's lives changed over the years.'

KS2 (CLASS2)

This week in Maths we have been exploring converting fractions from mixed number to improper. The pupils used cubes to see how many times the denominators goes into the numerator to help us finding the answer.
