

Message From The Head

Dear Parents,

Another fantastic week at Terrington, with a huge variety of learning and events completed.

The bat and bird talk during the week proved fascinating to pupils and staff alike and despite the rain the pupils ventured over to the meadow to check out possible bat and bird habitats.

We were all very proud of the children's choral speaking and the confident way they rose to the challenge and performed their poetry in an articulate and entertaining manner. Well done to all.

The Norton gala was another event that pupils had to showcase their talents and for some to overcome their nerves. They all did themselves, us and their families proud. Well done.

As we approach the last week of a very busy year, we wish those moving on to new schools, all the best in their future educational journey and hope you can all join us for the Leavers Service and following picnic on Wednesday (crossed fingers for good weather), and the final sharing assembly on Thursday.

Wishing you all an enjoyable weekend,
with kind regards, Linda

Sharing Assembly

On Thursday 18th July, we are holding our half termly sharing assembly. All parents are welcome to join us from 9:10am to celebrate an amazing year of hard work for our pupils. We will be announcing the house point winners at the assembly and the winning house will have a non-school uniform day on Friday 19th, the last day of term.

Leavers assembly & End of year picnic

On Wednesday 17th, we will be holding our leavers assembly at Terrington All Saints church at 2:30pm. All parents are welcome to join us. We will then be returning to school for our end of year picnic at 3:30pm.

WOW WORK

NURSERY AND RECEPTION (EYFS) (CLASS 1)

This week the children have had a brilliant time learning all about Safety at the Beach! We have enjoyed catching all the litter left in the ocean tray. We have enjoyed learning a song about keeping safe in the sun and the sea before making a poster to tell others how they can stay safe and we have loved making some ocean animals using our collaging skills.

Reading Books

As we reach our last week in school can I please ask that all reading books are returned to school to ensure they can be organised and set up ready for the September.

KS1 (CLASS 2)

This week has been yet another wonderful week in Class 2. The children are enjoying all the different activities that we have done, including a talk from a visiting team who told us all about bats and swifts, swallows and house martins. I was impressed with their questions about our local wildlife. The children also loved taking part in Fantastic Friday at Stillington, where they loved trying out a range of fun cycles.

KS2 (CLASS 3)

This week in KS2, we had a phenomenal day on Monday consolidating our choral speaking learning. We delved into different elements of poetry through performance, artwork and language exploration. We then presented our well practised performances to the rest of the schools where a panel choose a winner across the three schools. We are very proud to say that our Y6 group from Terrington won across our federation. We were very impressed by their coordination, teamwork, speaking skills and dedication to the arts

Swimming Gala

Well done to all the children who participated in the Norton swimming gala. The children from Foston and Terrington came away with several first, second, and third places. They all tried their best and supported each other, particularly those who were more nervous. They should all be proud of themselves, and I hope some of them have now caught a 'competitive swimming' bug.

Food reuse schemes

There are national and local initiatives to stop good food from going to waste and help people save money. Lots of businesses offer food that would otherwise go to waste at much lower prices through free apps like Too Good to Go and Olio.

Would you like to eat more healthily?

Fruit and vegetables are a great source of vitamins, minerals and fibre, and an important part of a balanced diet for kids and adults. Try and add some fruit or veg to every meal to try and get to 5 portions of different ones each day. Don't forget portions of frozen and tinned vegetable and fruit (in juice not syrup) still count as one of your 5 a day and are often cheaper and simpler to prepare.
