

Message From Head Of School

Dear parents and carers,

We have made it to the end of our first half term and what an incredible one it has been! Our pupils have explored new skills, learnt about new topics and built upon their pre-existing knowledge in all of their subject areas.

All of our pupils had a fantastic day at our sports enhancement day at Terrington. The EYFS children loved meeting old and new friends to explore the outdoor area, learn about staying safe on bikes as well as developing their balancing, coordination and team work skills through PE games. KS1 and KS2 had a fun filled day taking part in a carousel of activities including: welly wanging, parachute games, dodgeball, kin ball and golf, to name a few.

This experience allowed our pupils to widen their peer groups with our federated and collaborated schools enhancing their communication, sportsmanship and teamwork skills. It was lovely to see how kind, courteous and welcoming all of our children were within their year group teams.

After a fantastic start to the Autumn term, I cannot wait to see what the next half brings! Have a wonderful half term holiday everyone!

Thanks,

Miss India Tordoff

Head of School

Kafunjo Project

Attendance

As a school we aim for 95% attendance from all our pupils. We realise this is not always possible when your child is poorly, but we kindly ask that if possible all appointments are made out of school time, again we know this cannot always be the case. We are sure you will agree we all want our children to succeed and good attendance is proven to give children the maximum learning time possible.

Taking all this into consideration, any requests for school holidays will not be authorised unless there are exceptional circumstances.

This half term our whole schools attendance is...96.77

Thank You

WOW WORK

Miss Skilling EYFS AND NURSERY

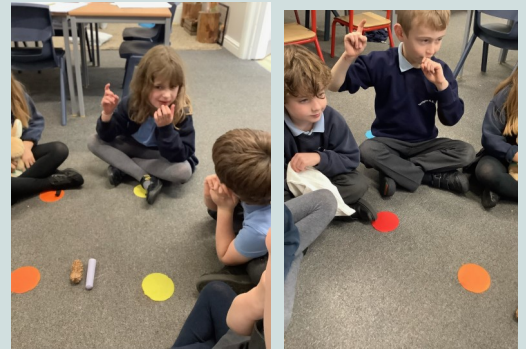

This week we have had our sports enhancement day where Early Years classes from Langton and Stillington came to our school to take part in sports activities to enhance our sports skills. We also had the police come and visit to tell us how we can be safe and we even tried on some police hats!
! Have a lovely half term!

Mrs Rutherford KS1

This week we had fun at our sports enhancement day across the federation where we learnt new sports skills and worked together with other children from across the schools. We finished writing out diary entries in English and in science we were describing different materials and we designed our own houses for Incy Wincy Spider with materials that are waterproof.

We have reached the end of the first half term and the children have all settled comfortably into the new routines and expectations of their new year group! Well done Class 2! This week has been packed with police visits, sports enhancements, and Fantastic Friday. Enjoy a well-deserved break and I look forward to hearing all about your half term breaks on our return in November!

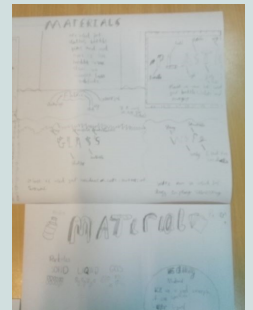

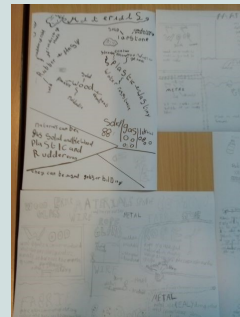

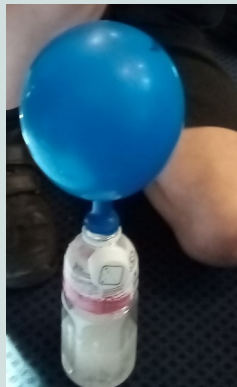

Mr Marshall KS2

This week in Class 3 we really enjoyed our Sports Enhancement Day and got to try a variety of sports and games.

In science, we made some brilliant posters to demonstrate our knowledge of materials and their properties from this half-term. Year 3 and 4 conducted their final experiment of this half-term and were mixing a solid (bicarbonate of soda) and a liquid (vinegar) to produce a gas (carbon dioxide) to inflate a balloon.

Well done everyone on such a successful half-term and I hope everyone enjoys a well-deserved break!

INFORMATION

NYCC - Year 6 Pupils Transferring to Secondary School in September 2025

Year 6 pupils are required to apply for a secondary school place for September 2025 by 31 October 2024. Please apply online at www.northyorks.gov.uk/admissions .

For pupils living outside North Yorkshire: Parents must apply to their home authority and obtain information about their application process. If they wish for their child to attend a North Yorkshire school, they still need to apply through their home authority. Information will be shared between local authorities as part of the coordinated admissions scheme.

For pupils out of their chronological year group: If you have any Year 6 pupils working outside their normal year group, parents cannot apply online. They will need to request a paper application form from us.

For new Year 6 pupils after the start of term: It is important that any Year 6 pupil who joins the school is informed about the need to apply for a secondary school place and is provided with a copy of the Year 6 letter.

Your assistance with this matter is greatly appreciated.

Yours faithfully
