

Message From Head Of School

I would like to say a huge thankyou to everyone who supported us for our Christingle and Nativity service on Monday. Our pupils worked incredibly hard to prepare for the service and demonstrated their confidence performing to an audience. A huge well done to all of our pupils!

We are very much looking forward to a visit from Rock Steady on Tuesday next week to learn about different musical instruments. Keep your eyes peeled for pictures of what we get up to!

On Friday 20th December, our Fantastic Friday is music themed. This year we are lucky to be having an African drumming workshop come to school to give the children a chance to explore different drums and techniques. We ask for a voluntary contribution of £4 per pupil for this to take place. This is a fantastic opportunity for the children to develop their music skills, so we ask for parental support to make this possible and go ahead. The children will be doing a performance for parents at 3:15pm on Friday 20th December in school. We welcome parents to come see what we have created.

On Thursday 19th, we have our half termly sharing assembly. Please note the time of this has changed to **9:10am** from 3:10pm. We apologise for any inconvenience this may have caused.

Have a fantastic weekend everyone!
Kind regards,
Miss Tordoff

WOW WORK

Miss Skilling EYFS AND NURSERY

This week has been a busy week for us! We performed our Nativity on Monday and the children did really well! We also went on our first trip to Malton Library. We read stories and looked at different books together and they took a book home too!

Mrs Rutherford KS1

This has been a wonderfully busy week in Class 2. The highlight has definitely been their amazing Nativity performance. I was so proud to see all the children singing beautifully and special mention must go to Evelyn for singing her solo! The children said their lines so well too and I am impressed with how well they remembered them. Well done to all of Class 2!

We have also recreated a model version of 'The Great Fire of London', where the children consolidated their learning from the topic and were able to tell us why the fire spread so quickly.

Mr Marshall KS2

This week in Class 3 we have been finishing our letters and continuing our learning about Climate Change and how small changes could add up to make a big difference. Many of the children have taken a keen interest in this in our English lessons and have been creating posters in their own time to accompany their English work.

Congratulations to everyone for a successful Christingle Service and for supporting KS1 and EYFS with their Nativity performance.
