

Good morning everyone,

We are nearing the end of our Spring term, and our children have been working extremely hard this week!

EYFS and KS1 loved their drama session with Audrie where they used puppets to express their imagination and creativity. Pupils developed their speaking and listening skills as well as their confidence of performing to a group. Amazing work!

KS2 had a visit from the National Trust's Building Surveyor, an expert stonemason and a National Trust Estate Manager as part of their sustainability learning. The speakers discussed traditional farm buildings, why they are important and how we look after them. The pupils loved learning about farm buildings and what part they play within our community.

WOW WORK

Miss Skilling EYFS AND NURSERY

This week in Early Years we have been looking at the Easter Story and have created our own eggs! In maths we have been looking at short and tall and have made towers with different lengths.

Mrs Rutherford KS1

On Tuesday, welcomed a visitor to our School to teach us about healthy foods, and we enjoyed making and trying our healthy snack pot. We had a wonderfully busy sports enhancement day too; this included karate and even circus skills!

Mr Marshall KS2

This week in Class 3 we have had a very busy week: we have had a wonderful drama lesson with Audrie where we created our own dance and synchronised performance; we had a talk all about sustainable farm buildings and diversifying farms; the Year 5s thoroughly enjoyed a wonderful performance of 'We Will Rock You' by Malton Secondary School pupils; and we all had our end-of-term tests to complete!

Well done everyone!

Reading books

Please can I ask that children return reading books, as we only have a limited amount of each guided reading book. If they aren't returned, we can't then pass them on to the next group to use. We are missing quite a few of our Big Collins guided reading books, so please can you have a look around your home and send any in to school with your child.
