

Good morning everyone,

We have had an incredibly busy week at Terrington C of E school! We enjoyed attending the village service to remember Victory in Europe on Thursday. Our pupils shared their learning of VE day and responded to their learning with creativity in the form of poetry and artwork. Some of our children even read their poems aloud on York Radio! They were extremely confident and loved sharing their learning with the wider community. Great work everyone!

Stay and Play has a new time on a Monday 10.00am –11.00am.

Next week, we have our KS2 SATs which will be running from Monday–Thursday. On these days, we will be running a **free breakfast** club from 8:30am for Y6 pupils. Siblings of Y6 pupils will also have the opportunity to join our regular breakfast club free of charge from 8:30am. Please let the school office know if your child/ren will be attending.

Please see the tests that will be taken on the specific dates below:

- **Monday, May 12th:** English Grammar, Punctuation, and Spelling papers 1 and 2.
- **Tuesday, May 13th:** English Reading.
- **Wednesday, May 14th:** Mathematics papers 1 and 2.
- **Thursday, May 15th:** Mathematics paper 3.

Have a wonderful weekend everyone!

Thanks,

Malton Sports Year 1 and Year 2

On Wednesday 14th of May, the children in Years 1 and 2 will be taking part in a mixed sports event at Malton Sports Centre. The year 1 and 2 children are asked to come into school in their uniform and will get changed at school into their PE kits. Children will also need to be wearing their school jumpers. They will have lunch at school as normal.

A member of staff will accompany the children on a bus, which will take them to Malton in the afternoon. The children should arrive back in time for the end of the school day.

York Minster Trip Y3, Y4 and Y6

On **26th June 2025**, pupils in **Y3, Y4 and Y6 from Terrington** will be travelling by coach to York Minster, where they will take part in a facilitated learning activity focussing on artwork in the Minster. The coach will leave Terrington at 9am before travelling to Stillington, and then on to the Minster. The children will leave York at 12:15 and will arrive back at school by 1pm.

As we will be arriving back at the end of lunchtime, packed lunches are required. Packed lunches can be ordered from the office and children have a choice of ham, cheese or tuna. Please inform the school office if you require a school packed lunch by Friday 16th.

The voluntary contribution for this trip will be £11.70 and will be added to ParentPay.

Y5 Malton transition trip

On the 26th June, Y5 pupils have been invited to attend Malton Secondary school for a taster day. Pupils will require a packed lunch from home for this trip. Pupils will arrive at Terrington school as normal and be collected by a Malton school bus and accompanied by a member of our school staff for a day of learning at Malton secondary school. This is an amazing opportunity to experience Malton secondary school before making choices for the Y6-7 transition.

Should you not wish your child to attend this and wish them to attend the minster trip above, please let the school office know.

WOW WORK

Miss Skilling EYFS AND NURSERY

This week in Early Years we have been learning about different modes of transport and if they are different or the same in England and Australia. We also enjoyed making our poppies for VE Day.

Mrs Rutherford KS1

This week we have been engrossed in writing our setting descriptions for Grandad Island.

We have also really enjoyed created poppy themed artwork in commemoration of VE day and then we went to the Prep School for a VE day Service.

Mr Marshall KS2

This week in Class 3 we have been discussing the VE Day celebrations and discussing World War Two. We have then been writing our own VE Day poems and tried to include messages of hope, peace and unity.

We have also been learning some more Makaton gestures and signs for breakfast and foods which we might eat at this time.
Well done Class 3!

VE Day Celebration.

We commemorated VE day with Terrington Village and Terrington Prep School. We were lucky to be interviewed on Radio 1 and some of the children read their poems live on radio. You can relisten to their interview on BBC radio York with Georgie Spanswick at Breakfast 08/5/25. Skip along to approximately 3hours & 43 minutes. <https://www.bbc.co.uk/sounds/play/m002bqw3>

INFORMATION

How does being late to school affect children?

We have noticed a significant rise in some children persistently arriving late to school. A child who enters a classroom late often misses the objectives for the day and must start to catch up, so will start the day from a place of disadvantage. Their late arrival is also likely to disrupt the class and delay learning for all.

Children who are often late have trouble settling in and mastering routines. Lateness can throw off their whole morning or even their day, especially if the late commute to school was stressful. They can often feel self-conscious about entering the classroom late.

Frequent lateness is associated with lower grades and lower scores on standardised tests. In addition, children who are routinely late at the primary school level are more likely to struggle in secondary school. We all want the best for our pupils, therefore, if there is anything that you would like to discuss with us, please contact our school office.

Friends of Foston School

MYSTERY TRAILS

JOIN THE FRIENDS OF FOSTON SCHOOL
SUNDAY 11TH MAY 11AM - 3PM
