

Good morning everyone,

As we come to the end of a busy half term, we take a moment to celebrate just how brilliantly the children have been doing in their learning. Across all year groups, we've seen fantastic progress, growing confidence and a real enthusiasm for learning that has made us all incredibly proud. Amazing work to all of our pupils, well done Terrington!

## **KS1 SATs**

We are incredibly proud of our Year 2 pupils who have shown fantastic effort and resilience in their recent SATs. The children approached the assessments with confidence, enthusiasm and a positive attitude, demonstrating all the hard work they have put into their learning this year. Amazing work Year 2!

## **Staffing Update**

Miss Oxtoby will be relocating to Foston Primary School from Terrington to cover Miss Thompon's maternity leave. We are currently recruiting to fill the admin role whilst Miss Oxtoby is at Foston. In the meantime, Mr Stewart will be covering some of the days until the recruitment process has taken place.

## **House Winners**

Well done to Atinuke for winning this half terms house points. All children in this house are invited to come in non-school uniform on the first Friday back after the holidays.

Wishing you all a restful, fun-filled and safe half term break. We look forward to welcoming the children back, refreshed and ready for our final half term of this academic year.

Thanks,

Miss India Tordoff

Head of School

## **Stay and Play**

Our stay and play sessions will recommence on the 9<sup>th</sup> June at 10am-11am.

## **Collecting late at the end of the school day.**

We have noticed over the last half term there has been an increase in some pupils being collected late at the end of the school day. We understand that things can occasionally happen and can't be helped, but we do want parents to be aware that teaching staff have other commitments after school and are unable to keep children any longer than 5 minutes after the end of the school day. If a parent has not arrived 5 minutes after the end of the school day, the child/ren will be taken to afterschool club (please note normal fees will apply) and the following procedures will take place:

1. Contact all emergency contacts on pupils record to establish pick up details/e.t.a - please ensure all contact details are up to date. Pupils will be put into club supervision after 5mins have past since end of the school day.

If contact cannot be made with the parent/carer or the emergency contact/s by 30 minutes after the arranged pick-up time school will contact the Customer Service Centre (Children's Social Care). In an emergency, school will contact the police.

Please note:

- If you are unexpectedly delayed and are unable to collect or will be late collecting your child from school, please contact the school immediately.
- If you arrange for another adult to collect your child, you must let the school know the details of that person as we will not allow pupils to be taken by an adult that has not been previously arranged.

# WOW WORK

## Miss Skilling EYFS AND NURSERY

This week we went on a trip to Beetle Bank Farm. We stroked and held rabbits and Guinea Pigs, fed lambs, cows and alpacas and went for a walk round to see different animals. It was lovely to see the children playing with other children from across the federation and make new friends!

## Mrs Rutherford KS1

This week has been especially busy for our year 2s who have completed their SATS. I have been so proud of all of the children for working so extremely hard and trying their best.

During Fantastic Friday, we had a wonderful time getting crafty and creating a junk city using our recycling.

The children have worked so hard this half term; they deserve a wonderful half term rest. Happy half term holidays!

## Mr Marshall KS2

This week in Class 3 we have been performing our speeches all about kindness and inclusion. We have been using technology to record ourselves and listen back to our rehearsals and then evaluating our performance to try and improve our delivery.

We also enjoyed our online video call with a Hindu priest, learning more about Hinduism and we asked some very good questions to try and deepen our understanding of what faith looks like and means to other people.

Well done Class 3 - enjoy the half-term!

# INFORMATION

Our whole School Attendance is **94.28%**

As a school we aim for 95% attendance from all our pupils. We realise this is not always possible when your child is poorly. We are sure you will agree we all want our children to succeed and good attendance is proven to give children the maximum learning time possible.

## Keeping your children safe online - Google Family Link

Google Family Link is a free service for managing parental controls across devices. It allows parents to manage app access, screen time, and device bedtime, helping children build good online safety habits. The service is free to use and doesn't require a subscription or paid membership.

### 1. Setting up Supervision:

Parents create a Google Account for their child under 13 (or the age of consent in their country).

They link the child's device to the parent's account using the Family Link app. Alternatively, parents can add supervision to a child's existing Google Account.

### 2. Managing Digital Ground Rules:

#### **Screen Time:**

Set daily screen time limits, device bedtimes, and app-specific time limits.

#### **App Permissions:**

Approve or block apps, manage app permissions, and choose between different YouTube experiences (supervised or YouTube Kids).

#### **Content Filtering:**

Filter content on Google services like Search, Chrome, and YouTube.

#### **Location Sharing:**

View your child's location on a map (requires enabling location sharing on the child's device).

### 3. Monitoring and Communication:

#### **Notifications:**

Get notifications about app installations, website requests, location changes, and other activities.

#### **Insights:**

View activity insights, such as screen time, app use, and content recommendations.

#### **Device Management:**

Lock or unlock the child's device, and manage the child's account (password reset, editing information, etc.).

### 4. Features for Teenagers:

Teenagers over 13 (or the applicable age of consent) can choose to manage their own Google Account or continue under parental supervision.

Supervision can be removed by parents at any time.

Teenagers can choose to opt out of supervision, but their device will be temporarily locked.
