

Terrington C of E Primary School Weekly bulletin Friday 27th June 2025

Good morning everyone,

I hope you have all had a wonderful week!

Sad Goodbyes

We are sad to share that Mr Marshall will be leaving us on the 3rd July. We are extremely sad to see Mr Marshall go and would like to thank him for everything he has done since being at Terrington Primary school. I know you will join me in wishing him all the best in his next adventure.

As we look ahead to the remaining weeks of this academic year, we will be extending our transition for pupils to support with the preparation ready for September. Year two will be joining Mrs Rutherford in Key Stage two, to aid with the transition of the end of key stage one. Early years and Year one will be joining Miss Skilling for this time and we welcome any new reception/nursery starters to book in for additional transition days, should you find this beneficial. Please email the school office to organise.

Stay and Play

The last stay and play session of the academic year will run on Monday 30th June 10-11 am. We look forward to welcoming everyone back to our stay and play sessions in the Autumn term.

Leavers Service and picnic

On Monday 14th July, we will be holding our leavers service at Terrington All saints church at 2:30pm. We would love to welcome the school and wider community to join us in celebrating our Y6 pupils time at Terrington. After the service, we will head back to the school meadow for the end of year school picnic commencing at 4pm. Please feel free to bring food for yourselves and ice creams will be provided by school.

Please could we ask that the Year 6 parents send pictures of their child to the school office for us to share with the community at the Church. Please feel free to send as many pictures as you like!

Sharing Assembly

On Monday 30th June, we will be holding our final sharing assembly of the year. We would like to invite our school community to join us at 3:10pm to celebrate our pupils' achievements over this half term. If your child is receiving a certificate at the assembly, a note will be in their planner.

Parent Governor elections

Just a reminder that the closing date for Parent Governor nominations is 12pm on Tuesday 1st July. If you wish to express an interest, please do so before the closing date.

Gas Safe Charity Funding

Choices4Energy at the North Yorkshire Council has funding available until September to help homeowners with low income and/or disability to pay for measures that address potential gas safety, gas leaks or CO poisoning (<£36,000 household income, other criteria may apply). This includes measures such as repairs and servicing of gas boilers, fires and cookers. Badly fitted or poorly serviced gas appliances can put you and your family at risk. There is a maximum grant of £500 per household, and we are encouraging homeowners to check gas appliances now to ensure they are safe to use, ready for winter. Contact us now on 0300 131 2 131 and ask for Choices4Energy, or visit [Choices4Energy | North Yorkshire Council](#) for more information.

A copy of the [Gas Safety leaflet](#) which provides info about the funding available is accessible through the link.

Have a wonderful weekend everyone!

Thanks,

Miss Tordoff

Wow Class work

EYFS

This week we have been sorting different materials into groups such as wood, paper, metal and glass and have been making observations about where we have seen these materials and what they are used for. We also enjoyed going over to the meadow to do some observational drawing of trees.

Class 2

The children have been working hard this week writing their narratives about Traction Man. They really enjoyed seeing a photograph of Traction Man in the classroom when he was caught on camera by Mrs Rutherford at the weekend. They are inspired by his visit to write their stories.

We also had a wonderful trip to Flamingoland, learning about animal habitats and their adaptations.

Class 3

We have been practising our play this week in KS2 and our pupils have demonstrated their confidence, determination and public speaking skills. We have had some incredible drama skills displayed this week and we are very much looking forward to our end of year play on Wednesday 2nd July.

Dates for the Diary
