

Terrington C of E Primary School Weekly bulletin Friday 4th July 2025

Good morning everyone,

I hope you have all had a wonderful week enjoying the beautiful weather!

We were extremely proud of our KS2 pupils this week, when they transported their audience back to 1914 and retold the story of Archie Dobson during WW1. Pupils demonstrated incredible drama skills, confidence and showmanship with their performance. The pupils performed spectacularly, amazing work KS2!

Rescheduled Sports day races and Swinton Proms

We would like to welcome all of our families and community to attend our rescheduled sports day races with a special guest performance from Swinton Brass band. The event will be held at the village hall at 1:15pm on the village hall field where the band will perform and then the races will take place afterwards. Make sure you bring your chairs!

Have a lovely weekend everyone!

Thanks,
Miss Tordoff

Federation consultation

A document outlining the outcomes of the federation consultation is now available on the school website.

Wheelchair Basketball

On Thursday 10th of July, all children will have the opportunity to take part in wheelchair basketball. The children will learn new skills that will be tailored to the different year groups.

The event will take place at the village hall alongside their usual session with Total Sports.

Parent Pay Ending

Our current payment system for clubs, dinners, trips etc. is Parent Pay. Unfortunately, along with many other schools, we have been put in a position where we are having to move to another system.

The good news is that the new system is hopefully a much better one for both the schools and yourselves. Unfortunately we have a very short period of time to migrate over and ask that you bear with us so that we can hopefully implement it by the start of September. It is called Arbor, and as soon as possible we will send you further information.

With this in mind, please can I politely ask that all debts are cleared by the first week of the holidays. I will be contacting parents if there are any queries, or credits on their child's account in order to make the move as smooth as possible.

If you have any queries please contact the school office.

Wow Class work

EYFS

This week have started our new book called 'Tiddler' and made predictions about what we thought will happen in the story. We also enjoyed having Rufus the Bear in our class!

Class 2

This week in class 2 we have continued writing our narrative with Traction Man as the main character. He has come to save the day at our school.

We all enjoyed our trip to the village hall to watch the KS2 'Archie Dobson's war'. We also loved showing Rufus the bear around our class.

Class 3

This week in Class 3, all of the children performed exceptionally well in our production of Archie Dobson's War. Mr. Marshall has been very impressed with everyone's dedication and commitment to not only their own parts, but also being so supportive of each other and working together to make the show such a success. Thank you to everyone who came to support the children at the performance; it is always greatly appreciated.

I would like to say a huge thank you to all of the children for their hard work and support of each other over the school year. Thank you for all of the kind words, cards and gifts and I wish you all the best for future.

Malton Sports Centre KS1 event

On Wednesday 16th of July, the children in Years 1 and 2 will be taking part in a summer sports event at Malton Sports Centre. The year 1 and 2 children are asked to come into school in their uniform and will get changed at school into their PE kits. Children will also need to be wearing their school jumpers. They will have lunch at school as normal.

A member of staff will accompany the children on a bus, which will take them to Malton in the afternoon. The children should arrive back in time for the end of the school day.

Year 5 experience day

On Thursday 26th June the year 5 children from Foston and Terrington went to Malton School to experience what Science, Performing Arts and Food Technology is like in a secondary school setting.

In science the children became scientist and were taught how to recognise different metals using Bunsen burners. In food technology they used pedal power to make a smoothie. In performing arts, the children took part in drama, music and creative art to make their own mini version of the Lion King.

Summer holidays club – Richard Shepard Foundation

Dear Parent/Carer,

On Wednesday 23rd July the Richard Shepard Music Foundation is running a free music holiday club for 7-11 year olds at Crayke CofE Primary School, YO61 4TZ. This is sponsored by [FEAST](#) and [EDCCA](#).

The club will run 09:30am to 3pm with a fun-filled day of singing, playing instruments and most importantly having fun! The club is open to all children from the local area. No experience is necessary and all abilities are welcome to attend.

The day will be free and breakfast and lunch and snacks will be included. Please do let us know in advance if your child has any dietary requirements.

Places are limited and are available to book now via the link below:
