## Weekly Bulletin - Friday 19<sup>th</sup> September 2025

Good morning everyone,

We have had an extremely busy week at Terrington this week in preparation for our harvest festival on Wednesday 1<sup>st</sup> October. Our pupils have enjoyed learning songs to share with our school community.

We enjoyed our visit from the North Yorkshire Music hub this week to learn about different instruments that we can play and develop our understanding of tempo. Great work everyone!

Remember, you still have time to enter our sunflower competition by sending us a photo of how tall your sunflower has grown!

Just a reminder to bring PE kits into school for our PE sessions on Tuesday and Friday each week.

Have a wonderful weekend everyone!

Thanks,

### School News - Friday 19<sup>th</sup> September 2025

#### **Message from Our New Chair Of Governors and Executive Headteacher -**

We are delighted to share the news that Foston, Langton, Stillington and Terrington Primary Schools have now formally joined together as North Yorkshire Rural Schools Federation. We are excited about the opportunities the new Federation brings, building on the previous strong collaboration and ensuring our schools continue to thrive and provide the very best for all our children.

We are proud to introduce our new North Yorkshire Rural Schools Federation logo (shown above), which reflects our shared vision, values, and the strength we gain from working together as a family of schools.

Our new Federation Governing Board met on 1st September 2025 and brings together experience from the former FST and Langton Governing Bodies. This blend of expertise will provide strong and consistent governance across all four schools. You can find details of the new Governing Board on the schools' websites.

Mrs Corinne Cross, previously the FST Federation Chair of Governors, was elected to lead the Board and is looking forward to working closely with leaders and Governors to ensure each school in the new Federation continues to serve its families and local community well.

At North Yorkshire Rural Schools Federation, we are committed to:

- Promoting sustainability
- Affirming diversity
- Embracing community
- Inspiring creativity

This commitment is rooted in our core values of love, joy, patience and self-control. These core values are fostered in the pupils and staff, building an ethos where all can flourish. Governors are very much looking forward to visiting each of our schools, meeting with staff, and engaging with children to see how our shared vision drives daily life in school, enabling our pupils and staff to 'love, learn and grow together'.

As we begin this new school year, we wish every one of our pupils, families, and staff a joyful and successful year ahead.

Corinne Cross - Chair of Governors  
Sarah Moore - Executive Headteacher

### **Miss Skilling - EYFS and Year 1 & 2**

In KS1 we finished writing our setting description based on the book 'The Squirrel who Squabbled'. The children have tried really hard and have produced a good piece of writing!

In EYFS, we have been talking about where we live and who is in our family. We have had fun looking at pictures of our families.

### **Mrs Rutherford - Year 3,4,& 6**

For RE, we welcomed a visiting Humanist speaker, Tony Margetts, to school. He explained humanist beliefs including the belief that everyone should be kind to each other and work together.

### **Donations for our local foodbank for Harvest Festival**

For our harvest festival this year we would like to collect for the local food bank. We have been in contact with them and asked them for things they are running short of at the moment. We are very grateful for any donations, but if you can donate any of the following (listed below), this would be really appreciated by the food bank. Please can we ask that donations are brought into school on the day of the Harvest Festival. Thank you in advance for your support with this.
