Weekly Bulletin - Friday 3rd October 2025

Good morning everyone,

We have had an extremely busy week at Terrington this week!

Our pupils made us extremely proud at our Harvest festival! They sang beautifully and KS2 read so confidently at our first service of the year. EYFS and KS1 gave a fantastic performance explaining how we plant seeds to grow crops. We finished off the event by welcoming our community into school for a harvest tea. I would just like to say a huge thank you to everyone who supported the event and for making it so special for the children as well as donating food for our food bank collection. I would also like to say a huge thankyou to Mrs Rutherford for organising the whole event!

As we move into next week, we have an exciting visit from Malton School's Science department on Thursday who will be showing KS2 how the circulatory system works. They will get to see the insides of animal lungs and a heart! We cannot wait!

Have a wonderful weekend everyone!

Thanks,
Miss Tordoff
