

Anti-Bullying Policy

Love, Learn and Grow Together

At Foston and Terrington Church of England Schools the Behaviour Policy is informed by our commitment to promoting sustainability, affirming diversity, embracing community, and inspiring creativity, which is rooted in the words of St Paul who wrote, 'The fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control' (Galatians 5 v 22-23). Our core Christian values, love, joy, patience, and self-control are fostered in the pupils and staff building an ethos where all can flourish.

Statement of Intent

At North Yorkshire Rural Schools federation, we are committed to providing a caring, friendly and safe environment for all of our pupils so they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable at our schools. If bullying does occur, all pupils should be able to tell and know that incidents will be dealt with promptly and effectively.

We are 'telling' schools. This means that anyone who knows that bullying is happening, is expected to tell the staff. Our anti-bullying is strongly linked and taught through our core values of love, joy, patience, and self-control. This policy is based on DfE guidance preventing and tackling bullying – July 2017, Keeping Children Safe in Education – 2025, Anti-bullying guidance 2024 <https://www.churchofengland.org/about/education-and-schools/education-publications/anti-bullying-guidance-church-england-schools> and RSHE guidance 2025.

Objectives of this Policy

- All governors, teaching and support staff, pupils and parents should understand what bullying is.
- All governors, teaching and support staff should know what the school policy is on bullying and follow it when bullying is reported.
- All pupils and parents should know what the school policy is on bullying, and what they should do if bullying arises.
- As a school we take bullying seriously. Pupils and parents should be assured that they will be supported when bullying is reported.
- Bullying will not be tolerated.

What is Bullying?

We have agreed as a school that bullying is:

- Deliberate
- Repetitive
- Unkind
- Malicious

We recognise that bullying can be:

- Verbal abuse (name calling, threatening, taunting, mimicking, making someone look silly)
- Physical (punching, kicking, hitting, spitting or any use of violence)
- Cyber (sending unkind things by text, email or social media)
- Emotional (being unfriendly, excluding, tormenting)
- Racist (racial taunts, graffiti, gestures)
- Sexist (discrimination on the basis of gender e.g. "girls can't play football")
- Homophobic (because of or focussing on the issue of sexuality)
- Any unfavourable/negative comments, gestures or actions made to someone relating to their disability or special educational needs

This school does not tolerate unlawful bullying or discrimination against someone on the grounds of any of these characteristics: age, disability, gender reassignment, marriage or civil partnership, pregnancy and maternity, race,

religion/belief, sex (gender) and sexual orientation. These are often referred to as protected characteristics. All staff will be provided with appropriate training in equality and diversity, so that they are equipped to tackle these issues on a wider scale as well as in relation to bullying.

Identifying and reporting concerns about bullying

All concerns about bullying are taken seriously and investigated thoroughly.

Pupils who are being bullied may not report it. All staff will be alert to signs of bullying and act promptly and firmly against it in accordance with this policy. Early signs of distress may include:

- Withdrawn behaviour
- Deterioration of work
- Feigning illness
- Unusual absences
- Desire to remain with adults
- Isolating themselves from others
- Lacking concentration
- Truancy from school

Why is it important to respond to bullying?

- Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect.
- Pupils who are bullying need to learn different ways of behaving.
- Schools have a responsibility to respond promptly and effectively to issues of bullying.

Procedures

At North Yorkshire Rural Schools Federation, the following steps will be taken when dealing with incidents:

- A clear account of the incident will be reported to a member of the Senior leadership team using the internal monitoring system, CPOMS, and will be stored on this system. These files will be transferred with the pupil when they transition to a different setting. The incident will then be dealt with in line with our behaviour policy.
- If further incidents occur involving the same child, the SLT member will interview all concerned and take suitable action in line with our behaviour policy.
- Class teachers, support staff and Midday supervisors will be kept informed.
- Parents of all parties will be kept informed.
- Sanctions and interventions will be used as appropriate and in accordance with our behaviour policy.
