

Terrington C of E Primary School

Weekly Bulletin

Friday 14th November 2025

I hope you have all had a wonderful week! Next week, we will be starting our **stay and play sessions on Monday 17th** from 2-3pm. We would like to invite parents and families with children from birth to join us and learn more about the provision at Terrington school. We also have our open evening on Monday 17th from 4-5:30pm.

KS2 Class

In Mrs Rutherford's absence, Miss Faulkner has been teaching in KS2. We understand the importance of consistency for our children and where possible will always strive to achieve this. We are therefore, delighted to share with you Miss Faulkner will be with us for the remainder of the half term. I know you will join me in sending our best wishes to Mrs Rutherford and we look forward to her return to school.

Swimming

Please note there will be no swimming on Friday 21st. Swimming will resume on the 28th November.

KS2 Residential Queries

As you are aware, we are planning our KS2 residential. We are still awaiting confirmation on prices and information from Beverley Park with regards to finer details. Once we have further information, we will be in touch as well as hosting an information event for all parents.

In the meantime, please see below answer to question raised:

Attendance

KS2 Y3-6 from Terrington, Stillington, Foston and Langton will be attending the residential

Staffing

We will have staff from across the federation attending the residential to ensure our ratio's are compliant. We will share with parents' what staff will be attending the residential when we have confirmed pupil numbers and allocated staff places.

Groupings & Bedrooms

All pupils will be asked to select 3 friends to be in a room/group with, based on this, we will try our best to ensure that all pupils are with at least one of their chosen friends.

Payments

The current cost of the trip is £300 per child which is estimated. We will be setting up payment plans to pay instalments throughout the year to cover the costs.

Opportunities

As part of our long-term plan, KS2 have the opportunity to attend a residential once every two years therefore if your child is currently in Year 3 or 4, they will have another opportunity to attend a residential.

Activities

As we have not finalised the logistics, we do not yet have a full itinerary to share with parents. Once we have this confirmed, we will share this with parents. Some examples of activities are as followed: zip line, rafting, climbing wall, caving and team building.

Mobile phones

Mobile phones are not permitted on the residential due to safeguarding.

Should we need to contact a parent, school staff will get in touch with parents via telephone or email.

Have a wonderful weekend everyone!

Thanks,
Miss Tordoff
Head of School

Sensory Processing Pathway

LET'S MAKE SENSE together.

Let's Make Sense Together is a virtual service that has been developed by our Occupational Therapists for York and Scarborough Teaching Hospitals NHS Foundation Trust. It is part of our sensory processing pathway, supporting children and young people who have a physical and functional difficulty due to sensory processing differences.

Please use the QR code or link below to access our free advice and further details on how to access our service.

Weekly Bulletin

Friday 14th November 2025

Miss Skilling - EYFS and Year 1 & 2

This week we enjoyed our charity day. We wrote some positive affirmations and joined in with KS2 playing games.

Miss Faulkner - Year 3,4,& 6

This week in KS2 we have had a great week in English focusing on Queen Elizabeth's bathing machine and making this into our very own formal letters.

Parent News -

Christmas Dinner:

This year's Christmas Dinner will be held on Friday 5th December. If you haven't already done so, please use the QR code to register your child's menu choice for the caterers.

Wellingtons:

The children love to go across to the meadow at break times but it has got to that time of year where the ground is very wet most of the time. In an effort to keep their feet dry and warm where possible, please can all children bring in a pair of wellingtons that they can keep in school for wet playtimes.

Emergency Contact Information Required For All Pupils:

There have been a few changes recently around the guidance for emergency contact telephone numbers schools hold for children, especially for our early years children. The guidance now states that more than 2 emergency contacts should be held for early years children as part of safeguarding and welfare requirements set out in the Early Years Foundation Stage Framework. We feel as a school this is good practice and ask that all parents, please check their Arbor app to make sure there are 3 emergency contact numbers for your child/children. Please note, as a school we would always start with the first contact in an emergency and work down the list. Thank you for your assistance with this.
